

Based on the workflow you've settled on, I would define the **Buyer Bulk Upload Rules** as follows.

Buyer Bulk Upload – Business Rules

1. Purpose

Buyer Bulk Upload is used to import **genuine buyer enquiries** into the CRM.

These buyers are automatically routed based on their **Buying Interest** and **Purchase Timeline**.

2. Mandatory Fields

Field	Rule
Name	Mandatory
Phone	Mandatory, unique, 10 digits
Buying Interest	Mandatory
Purchase Timeline	Mandatory
Min Budget	Mandatory
Max Budget	Mandatory
Transaction Type	Mandatory
Property Type	Mandatory
Required Flat Type	Mandatory
Min Area / Max Area	At least one is mandatory
Preferred Location 1	Mandatory

3. Transaction Type

Allowed values:

- SALE
- RENT
- LEASE

Any other value → Reject.

4. Property Type

Allowed values:

- Apartment
- Villa
- Plot
- Office
- Showroom
- Retail
- Shop

Any other value → Reject.

5. Required Flat Type

Allowed values:

- Studio
- 1 RK
- 1 BHK
- 1.5 BHK
- 2 BHK
- 2.5 BHK
- 3 BHK
- 3.5 BHK
- 4 BHK
- 4.5 BHK
- 5 BHK
- 5+ BHK
- Villa
- Plot
- Office
- Showroom
- Retail
- Shop

Any other value → Reject.

6. Budget Rules

- Min Budget > 0
- Max Budget ≥ Min Budget

Otherwise reject.

7. Area Rules

- At least one of Min Area or Max Area must be provided.
- If both are provided:

Min Area ≤ Max Area

Otherwise reject.

8. Location Rules

- Preferred Location 1 must exist in the Location Master.
 - Preferred Location 2 and 3 are optional.
 - Location matching ignores postal suffixes such as **B.O., S.O., H.O., G.P.O.** for allocation.
-

9. Mobile Rules

- Exactly 10 digits.
 - Duplicate mobile numbers are rejected.
-

10. Purchase Timeline Rules

Buying Interest Purchase Timeline System Action

Yes	Immediate	Create Qualified Buyer
Yes	1 Month	Create Qualified Buyer
Yes	3 Months	Accept and move to the designated long-term bucket
Yes	6 Months	Accept and move to the designated long-term bucket
Yes	6+ Months	Accept and move to the designated long-term bucket
No	Any	Accept and move to the Unqualified workflow

11. Executive Allocation

Every imported buyer is automatically allocated to the appropriate **PreSales Executive** based on the buyer's primary location.

12. Upload Rejection Criteria

A row is rejected if:

- Name is missing.
- Phone is invalid or duplicate.
- Buying Interest is missing.
- Purchase Timeline is missing.
- Transaction Type is invalid.
- Property Type is invalid.
- Required Flat Type is invalid.
- Min Budget or Max Budget is invalid.
- Both Min Area and Max Area are blank.
- Both Min Area and Max Area are present but Min Area > Max Area.
- Preferred Location 1 is missing or not found in the Location Master.
